

# I Love Us

\_\_\_\_\_ family  
celebration fun!

Let's get to know the people we live with and love a little bit better. Choose a family member. Then choose a question and let the learning begin!

- ☐ If our family formed a rock band, what would our band name be?
- ☐ What is your favorite song? Can you lead us all in the first verse?
- ☐ If our family had a secret superpower, what would it be?
- ☐ What is your favorite sound each person in our family makes?
- ☐ If you could only eat one color of food, what color would you pick?
- ☐ What's one thing you love most about our family?
- ☐ If you could learn any new skill or hobby, what would it be and why?
- ☐ What's the funniest thing that's ever happened at school or work?
- ☐ If you woke up and everyone in the family had switched voices, whose voice would you want?
- ☐ If our house suddenly started floating like a balloon, where would you want it to land?
