

"I'm tall and strong, I give shade all day. Find me where the branches sway."

"I'm green and soft, right on the ground, find me where I'm all around!"

"I'm a place where balls go high! Find me where you shoot and try."

"I'm full of sand, perfect for play. Look for me where you dig and stay!"

"I'm full of leaves, quiet and green. I'm low so you might need to lean!"

"I fly so high, I go up and down. Find me where your feet leave the ground!"

"I'm tall and straight, and you grab me tight. Going up or down, hold with all your might."

"I'm your secret spot to hide, find me where you play inside!"
